Welcome to Monty's Leap

The Chef's menu is all about experiencing seasonal hand-picked dishes by me and the team in the kitchen to start off your lunch.

On our shared menu we start you off with some of our house baked bread and snacks just to get you going. Our bread contains spelt from the Groves family at Mt Barker Flour and gives it a nice nutty flavour. While we prepare your mains you will receive a scallop carpaccio and fresh cheese we have made using local Yard 86 milk.

For mains we make cheesy gnocchi using cheese from La Delizia Latticini. This comes with Piacun farms heirloom tomatoes and Franklin River free range bacon. Our signature Green Range lamb dish is about to finish up and leave the menu, this could be your last chance to try this long-term Monty's Leap favourite. We also provide the whole table with a shared salad from ingredients sourced from the Albany Farmers Market plus roasted Bathgate Farm potatoes & Mostert Farm corn.

I have plenty of other dishes for people who have special dietary requirements. Please talk to your server and I will do my best to accommodate you.

I hope you have plenty of good food, great wine and enjoy your stay here at Monty's Leap.

Thank you and see you next time

Ken
